Dear Mike Harris,

I'm writing you the letter to say thank you for all you have done for me through the last two years. I would like to personally thank you for the help you gave me with my baseball career, and especially with spreading the Word of God.

I appreciate all the hours you have spent up at the Academy working for us, and coming out on Sundays to give us a mini sermon because we could not make it to Church that morning. Every player that enters your organization has appreciated it, I did, my team did and all those that will play for you after me will.

A Bible verse that I always put on my Miracles' hat was Philippians 4:13 "**I can do all things through Christ who strengthens me**". That verse has given me moral and physical strength to get through anything that I came across. Your spiritualism is always being shown in everything you do and especially in the way you coach and that has affected my life in a positive direction. The last two years has improved my baseball game, and my spiritual life.

I just wanted to take the time to tell you how much I appreciated it because you didn't have to, but you did and I just thank God that you took time to be such a great influence on life.

Sincerely,

Rk Holsey
